## Who We Are

Lions is the largest service organization in the world. We are in 280 countries and have 3 million members worldwide. We are the only service club that is part of the United Nations.

## What We Do

While all Lions Clubs are a part of Lions Club International and do global projects, we are also local. Every club has goals in these 4 areas:

### Children/Youth

### Health

### The Environment

### Disabled Adults and Seniors

Each club chooses projects from these 3 areas where there is the greatest need.

## LION'S Pledge

I pledge allegiance to my country,  
and to the cause of peace throughout  
the world  
I believe in the principles of Lionism as  
contained in the Code of Ethics  
I am proud to be a Lion dedicated to the  
service of others.
