## Major Efforts

### Who are the Florence-Siuslaw Lions?

The Florence-Siuslaw Lions are men and women dedicated to serving those in need, whether in our own community or halfway around the world. In addition to humanitarian service, we enjoy fellowship and develop leadership skills. We are a nonsectarian service organization affiliated with Lions Clubs International, with clubs in over 200 countries with over 1.42 million members in more than 48,000 clubs worldwide. We are the largest service organization in the world.

### Vision

We support diabetes education, treatment, research, and early detection.
