

**You CAN MAKE A  
DIFFERENCE!**

When it comes to meeting  
challenges, our response is  
simple: We serve.

We want everyone  
to see a better tomorrow.

We believe everyone deserves  
a healthy life.

We empower the next  
generation.

We serve our local  
Community — and protect  
the planet.

## The Keizer Lions

Ordinary men and women working together to achieve one simple, common goal - that of serving the communities in and around where they live.

They help those who are in need by:

- Providing glasses, assisting needy persons obtain eye exams and/or surgery when no other avenues are available.
- Providing hearing aids and hearing exams, assisting needy persons when no other resource is available.
- Collecting used glasses and hearing aids for distribution during "mission trips" to Third World countries.
- Providing medical equipment such as wheelchairs, canes, crutches, hospital beds, etc.

They make much needed contributions to:

- Oregon Lions Sight & Hearing Foundation
- Lions Eye Bank of Oregon
- Oregon Donor Program
- Drug Awareness

## What We Do

### COMMUNITY ACTION

Join in fun projects to promote Lionism throughout your community. Help organize a food bank, a book sale, a "Saturday Market" type of flea market to sell items for fundraising projects, help build "flags for first graders" for the club's major fundraising project. The possibilities are endless!

### CAMARADERIE

Weekly meetings bring ordinary men and women together in an extraordinary atmosphere to brainstorm, laugh and plan the next project. Fun "dinner meetings" including pot lucks and barbecues, even professional chefs to host yummy munchies while you put your heads together to come up with something fantastic for your next community project.

### CLOSENESS

Witness first-hand the joy and simple gratitude of persons being helped by your loving hands. Lions work together to provide the most basic of needs to the most complex of needs. In areas where needy people have lost all hope, Lions jump in to bring peace and healing where they can.

### COMFORT

Meet people. Make new friends. Recognize people in your community as you go about your daily life. Be heard.
