MISSION STATEMENT

To create and foster a spirit of understanding among all people for humanitarian needs by providing voluntary services, and through community involvement and international cooperation.

ABOUT SPRINGFIELD LIONS OUTREACH

We provide donor eye courier service, and vision screening at schools. Our club supports our community with eyeglasses and hearing aids for the needy, help with eye surgeries, and the local Honor Flight program. We support projects related to sight and hearing and diabetes, including volunteering in the Lions mobile health screening unit. We give financial aid to camps for children who are sight-impaired, have hearing loss, or who have diabetes. We provide local High School scholarships. We present American flags for 1st graders. Lions also assist with various community, state, national and international programs and projects including hunger relief, disaster relief, highway clean-up, environmental issues, humanitarian assistance, and more. Our Lions Club fundraisers help benefit our community.

Lions Club International

Lions Club International is the world's largest service organization, with 1.4 million members in 47,000 clubs in 200 countries and geographical areas. When you become a Lion, you become part of a global network of volunteers working together to make a difference. Since 1917 the work of Lions has been making an impact in our world. At their first convention in 1925, Helen Keller challenged the Lions to become the "knights of the blind in the crusade against darkness". Ever since, Lions Club International has proudly championed that cause.

Springfield Lions Club

Since 1950, the Springfield Lions have been at work in this community. We serve beyond our community by supporting the Oregon Sight and Hearing Foundation. We serve beyond Oregon by supporting Lions Club International to aid individuals in various parts of the world.
