Subject: Vote on Convention requests

Hey All

Convention Chair Joyce needs to have the Council of Governors vote on the following items in order for the convention to be held.

I am looping Vince, Joyce and Leah into this so we can have minutes of the meeting and so Joyce will have an almost immediate response.

So what needs to happen is for each one of the voting members of the Council of Governors to vote Yes or No on each of the following items and please this time do a reply to all so we can record everyone's votes.

Thank you for taking the time to do so.

Here are the items before us.

1. The venue will be Springfield Hilton Garden Inn, 3528 Gateway Street, Springfield, Oregon.
2. Approve Registration fee of \$80.00 per person registering, this includes Friday evening "Dessert Celebration", Saturday lunch and Saturday banquet.
3. The Host Club will be Springfield Lions Club.
4. The Host Committee Chair will be Lion Judy Bachman.
5. Approve a \$4000.00 Advance from the MD 36 Convention Holding Account. These funds would be available for use only if the total expenses exceed the funds collected from Lions registrations. This is not a loan and does not have to be repaid. (That's why we leave it in the bank and only ask that it be available if needed.

Just for the record and so we don't trip over ourselves here are my votes.

1. -- Yes
2. -- Yes
3. -- Yes
4. -- Yes
5. -- Yes

Thanks again,
Council Chair Bob Chaney

Note from the MD 36 Convention Operating Committee

On Thursday, May 5, 2022, CC Bob Chaney sent an email request on behalf of the Convention Committee to the MD 36 Council of Governors with a request for an email vote on the following items needed for the committee to continue planning for the May 20 - 21, 2022 event:

1. The venue will be Springfield Hilton Garden Inn, 3528 Gateway Street, Springfield, Oregon.
2. Approve the registration fee of \$80.00 per person registering, this includes Friday evening "Dessert Celebration", Saturday lunch and Saturday banquet.
3. The Host Club will be Springfield Lions Club.
4. The Host Committee Chair will be Lion Judy Bachman.
5. Approve a \$4000.00 Advance from the MD 36 Convention Holding Account. These funds would be available for the use only if the total expenses exceed the funds collected from Lions registrations. This is not a loan and does not have to be repaid (That's why we leave it in the bank and only ask that it be available if needed.)

Each voting member (6) was asked to respond by email with a vote on each of the five items.

On Thursday, May 5, 2022, I received responses from five of the six voting members. All five members voted YES on all five items.

This vote allowed the committee to continue on with the plans for the Convention.

Thank you all for your quick response!
